BREAK-A-THON
FUNDRAISER

The Educational Martial Arts System (TEMAS) in cooperation with Manna's Martial Arts is putting on the 2002 Break-A-Thon in order to raise money for scholarships for martial artists to go to college. Over the past twelve plus years TEMAS has been the primary supplier of scholarships to martial artists, additionally TEMAS has strived to set the highest safety standards in martial arts studios across the country. These safety standards include the use of the highest quality safety equipment and training facilities for students of the martial arts. In this joint venture Manna's Martial Arts has donated its facilities and instructors for this event. This year TEMAS has decided to equip Manna's Martial Arts with mats for the Tiger Floor, thereby setting the safety standard for martial arts training centers across America.

If you are not able to attend the event on December 21 there will be an additional date to break your boards on January 11, 2003. We are looking forward to an amazing event and encourage all ranks and ages to participate. To meet our financial goal we ask that each Break-A-Thon participant get 10 or more sponsors at a minimum of \$1 per board broken with a maximum of 10 boards being broken by each participant.
